WELCOME FROM THE DIRECTOR'S DESK

Prof. S. Sundar

Director, NIT Mizoram

Chair Professor, IIT Madras

NIT Mizoram is one of the 10 (ten) NITs set up by the Government of India in 2009 to meet the demand for technical and scientific education. The institute was established via the Ministry of Education, Govt. of India, order no. F-23-13/2009/TS-III dated 30th October, 2009. It has started functioning at VNIT Nagpur w.e.f. July 2010 and shifted to its temporarily campus at Chaltlang, Aizawl, in July 2011. The permanent campus of the Institute is coming up at Lengpui, Aizawl, near the Airport.

NIT Mizoram, located in the serene hills of Aizawl, continues to shine brightly in the academic landscape of India. This institute has been declared as an Institute of National Importance by the Act of Parliament. NIT Mizoram is among the 100 prominent technical higher educational institutes to award 5G Use Case Labs. The virtual inauguration of the lab was done by the Hon'ble Prime Minister of India in October 2023. The lab can be used for project developments both in core 5G/6G communications as well as developing use case projects compatible with cutting-edge technologies like smart cities, AI-assisted irrigation, intelligent communication, fintech solutions, Start-ups/MSMEs, etc. The students at NIT Mizoram have the unique opportunity to enroll in the MBA program at IIM-Visakhapatnam without needing to take the Common Admission Test (CAT), starting in their third year of B.Tech studies, allowing them to complete both B.Tech and MBA degrees in a total of five years (4+1) from 2025. In 2025 admission, 14 students from NIT Mizoram secured admission in the BTech-MBA program. Moreover, NIT Mizoram students can undertake their fourth year of B.Tech at IIT Madras (students with CGPA 8.0 and above) and have the option to enroll in the Direct PhD program at IIT Madras and other IITs across various engineering disciplines without the necessity of GATE qualifications.

The Institute has earned a place of honor, securing its position in the band of 101-150 in the National Institutional Ranking Framework (NIRF) in the current year's national ranking. This achievement underscores the institute's relentless commitment to academic excellence and innovation, solidifying its reputation as a beacon of quality education in the engineering and technology domains. The institute is actively pursuing its goal of being recognized as a premier technical institution at both the national and international levels.

MESSAGE FROM THE ACADEMIC OFFICE

Dr. Sukanta Roy

Dean (Academics), NIT Mizoram

NIT Mizoram, at present, offers six UG programs leading to the degree of Bachelor of Technology (B. Tech.) in Civil Engineering, Computer Science & Engineering, Electrical Engineering, Electronics and Communication Engineering, Mathematics and Computing, and Mechanical Engineering. In addition, the Institute has introduced a new B. Tech program in Chemical Science & Technology in which students to be enrolled w.e.f. 2025-26 session. The Institute also offers PG programs leading to the degree of Master of Technology (M. Tech.) in Computer Science & Engineering, Power and Energy Systems Engineering, Microelectronics and VLSI System Design, Thermal Engineering, Structural Engineering.

NIT Mizoram recently launched the Dual-Degree programs, which provide a B. Tech + M. Tech Degree in a 5-year program with specializations in Data Science, Computational Nanotechnology and Semiconductors, Fluid and Thermal Engineering, and Smart Grid Technology and Minor programs in VLSI and Semiconductor Technology, Green Energy and Sustainability, and Artificial Intelligence and Machine Learning, under the Centre of Interdisciplinary Research (CIR), to provide flexible learning following National Educational Policy 2020. Dual-degree programs for upgrade to MTech and PhD are additional long takeaways. The Institute also offers Ph.D. degrees in Civil Engineering, Computer Science & Engineering, Electrical Engineering, Electronics and Communication Engineering, Mechanical Engineering, Basic Sciences and Humanities and Social Sciences.

NIT Mizoram achieved an impressive placement rate of 90.7% for the 2023-24 academic year followed by 93.1% placement record in 2024-25 academic year, with recruitments from leading companies such as Tata Electronics, Adani Wilmer, Mahindra & Mahindra, Vedanta, Power Grid, L&T, Adobe, Deloitte, Ashok Leyland, TA Digital, Delta X, Lumiq.AI, DCS, KEC International, TCS, Infosys, Reliance, and Alstom, among others. The placement process is currently underway for the 2025-26 academic session. Furthermore, 100% B.Tech students at NIT Mizoram successfully completed industrial internships during the 2023-24 and 2024-25 sessions, partnering with organizations including SAIL, Indian Railways, the Airport Authority of India, the Bureau of Indian Standards (BIS), and various departments in Mizoram such as PHED and PWD, as well as major organisations like Power Grid, ECIL, CPWD, Vizag Steel, L&T, BHEL, DRDO, IOCL, IOL, CDAC, Google, Microsoft, etc.

In addition, 27 students have successfully scored in the GATE 2025 national-level examination, which is a testament of our strong academics, dedicated faculties, and a competitive learning environment.

MESSAGE FROM THE REGISTRAR'S DESK

Prof. Ajmal Koya Pulikkal

Registrar In-Charge, NIT Mizoram

In addition to information mentioned in the messages of Director of NIT Mizoram and Dean (Academics), NIT Mizoram boasts several noteworthy achievements including MoUs with top public sectors like the Bureau of Indian Standards (BIS), Senses Department, NITTTR, Mizoram Police, Indian National Academy of Engineering (INAE), and The Institute of Engineers (India) opened up seamless opportunities for faculty and students of NIT Mizoram.

Further, a good number of students of NIT Mizoram are also undergoing research internships at various IITs, including IIT Madras, IIT Kanpur, IIT Patna, IIT Bhilai, IIT BHU, IIT Roorkee, IIT Indore, IIT Hyderabad and so on. A total of 9 students joined the Bureau of Indian Standards (BIS) through MoU. Further, NIT Mizoram signed a MoU with the Airport Authority of India (AAI) to boost the training and placement activities. The Institute has also signed MoU with other various reputed Organizations / Technical Institutes/ministries like the Indian Institute of Technology Guwahati, Indian Institute of Technology Kharagpur, Central Electronics Engineering Research Institute, Pilani, AICTE; Ministry of Education, New Delhi, Mizoram Science, Technology and Innovation Centre (MISTIC) and Software Technology Park of India (STPI). Leading professors from Germany and the USA conducted research and knowledge-sharing workshops at NIT Mizoram from 2023 to 2024, leading to faculty and student exchanges, knowledge-sharing, and collaborations. Further, the faculty and research scholars are involved in research collaborations, supervision, and publications globally. In 2023-2024, to encourage the faculty, researchers, and students of NIT Mizoram, collaborative programs are organized at NIT Mizoram on the fellowship, training, and exchange opportunities abroad, in collaboration with the U.S. Consulate Kolkata and DAAD Germany. The Institute, in close partnership with the state government, has undertaken many consultancy projects, especially with the Civil engineering department, thereby helping the state to build state-of-the-art infrastructure. The research projects undertaken by the faculty members of the Institute on certain issues of the state will immensely help to bring the state to par with its counterparts. In 2023-24, NIT Mizoram received an amount of Rs. 554 Lakh for research projects and Rs. 146 Lakh for consultancy projects. In the last 5 years, a total of approx. 500 SCI-indexed high-quality research papers were published by the researchers of NIT Mizoram, and 25 patents have been filed in different technology innovations. The institute looks forward to imparting and enhancing quality technical and scientific education and promoting applied research and education for the betterment of society. To encourage the youth of the nation, the institute looks forward to boosting its incubation and entrepreneurship activities. The faculty, students, and staff of NIT Mizoram are working hard with utmost sincerity and dedication to accept the challenge of making NIT Mizoram a preferred destination for high-quality learning, research, and innovation.

VISION

To serve the societal needs of the country in particular and the world in general through achieving excellence in innovative scientific and technical education and cutting-edge research.

MISSION

- To impart and enhance quality technical and scientific education to young men and women.
- To promote research in both fundamental and applied knowledge for the betterment of society.
- To promote all fields of innovation and provide support to entrepreneurs.

HOW TO VISIT NIT MIZORAM

By Air:

Aizawl can be reached by direct flights from Kolkata / Guwahati / Delhi / Imphal. Aizawl is approximately 32 Km far from Lengpui (Aizawl) Airport.

By Train:

Presently, Silchar is the nearest railway station to Aizawl. The journey (by road) from Silchar to Aizawl may take apprx. 6 hrs. Sumos (sharing basis) are available from Mizoram House, Sonai Road, Silchar. However, from the month of July 2025, the railway line is expected to become fully operational until Sairang, which is located just 20 km from Aizawl city.

By Bus / Sumo:

Guwahati to Aizawl: Private Buses (Network, Capital, etc.) are available from Guwahati. Booking Counters for these buses are located at Paltan Bazar. The journey to Aizawl by Bus is approx. 22hrs. Alternatively, students can come by Bus till Silchar and from there to Aizawl by Sumos (Sumos are available from Mizoram House, Sonai Road, Silchar). Direct Sumo Service are also available from Guwahati to Aizawl: Sumos are available from Mizoram House, Christian Basti G S Road, Guwahati (Evening). The journey to Aizawl by sumo is approx. 20 hrs.

Central Library

In order to serve the diverse library needs of the Engineering Undergraduate, Post graduate, Research Scholars, the faculty members, and other library users the central library has collections of Textbooks, e-Books, Reference books, Conference proceedings, Annual report, Magazines etc. A glance at the position of the Central Library is as under-mentioned:

Sl. No.	Particulars	No. of Books or Collections
1.	Physical Books	12,992 (over 500 books in reference)
2.	E-Books	6,790 collections
3.	E-Journal	2,841 collections
4.	Newspapers	6 Newspapers per day (2 copies for each)
5.	Reference Assistant software	Grammarly & Turnitin

Central Library

IRINS & VIDWAN: Central Library has taken initiative to add all the faculty members and researchers with IRINS, a web-based Research Information Management (RIM) service developed by the Information and Library Network (INFLIBNET) Centre.

SODHCHAKRA: The University Grand Commission (UGC) has launched an initiative, Shodhchakra along with Information and Library Network (INFLIBNET), NIT Mizoram has signed MoU with INFLIBNET Centre and successfully implemented Sodhchakra. The Sodhchakra provides unique space to the researcher, guide/ supervisor and Institute to manage the research lifecycle of a research work.

KNIMBUS: Central Library has introduced the new e-library software Knimbus. It is a digital Library Solution, which will assist in attending key challenges to the digital library in the present condition.

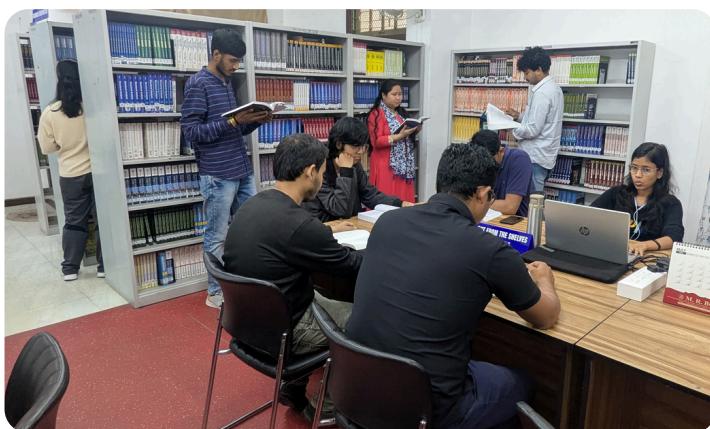

GRAMMARLY: The Central Library has procured Grammarly software for better writing experience of the users of NIT Mizoram.

Book Circulation Services: 9:00 am – 5:00 pm, and Reading Area Timings: 9:00 am – 8:00 pm.

Sports

Mizoram is a state which is very much influential to cultural and sport activities. NIT Mizoram being located temporarily in Aizawl has been conducting sport activities by hiring playgrounds, indoor stadium in different localities in Aizawl. NIT Mizoram is conducting sports annually named as SHAURYA which includes different outdoor and indoor sports activities such as Cricket, Football, Basketball, Handball, Athletics, Kabaddi, Table Tennis, Badminton, etc. Also, NIT Mizoram students are participating in INTER NIT Sports competition.

Malsawmdawnliana of NIT Mizoram won the **Gold Medal** in 66kg Category Power lifting in All India Inter NIT Competition 2023 . Mr. Laldawngzuala participated in Weightlifting under 73 Kg category and won the **Gold Medal**. Also, C. Zorinliana won the **Bronze Medal** in 83kg Category Power lifting.

NATIONAL CADET CORPS (NCC)

Mizo Air Squadron Aizawl attended Combined Annual Training Camp at Tanhril Aizawl from July 14 - July 24, 2024

Cdt. Ayesha, a 2nd-year B.Tech student at NIT Mizoram and member of the 1 Mizo Air Squadron, with regimental number MZ2023SWF002299, has received the Best Cadet (Senior Wing) Award at the Combined Annual Training Camp-59 held in Tanhril, Aizawl.

NATIONAL SERVICE SCHEME (NSS)

NIT Mizoram has started NSS Unit in the year 2017, and has been functioning with the participation of students and staff from all the engineering disciplines

HEALTH CARE CENTRE (HCC)

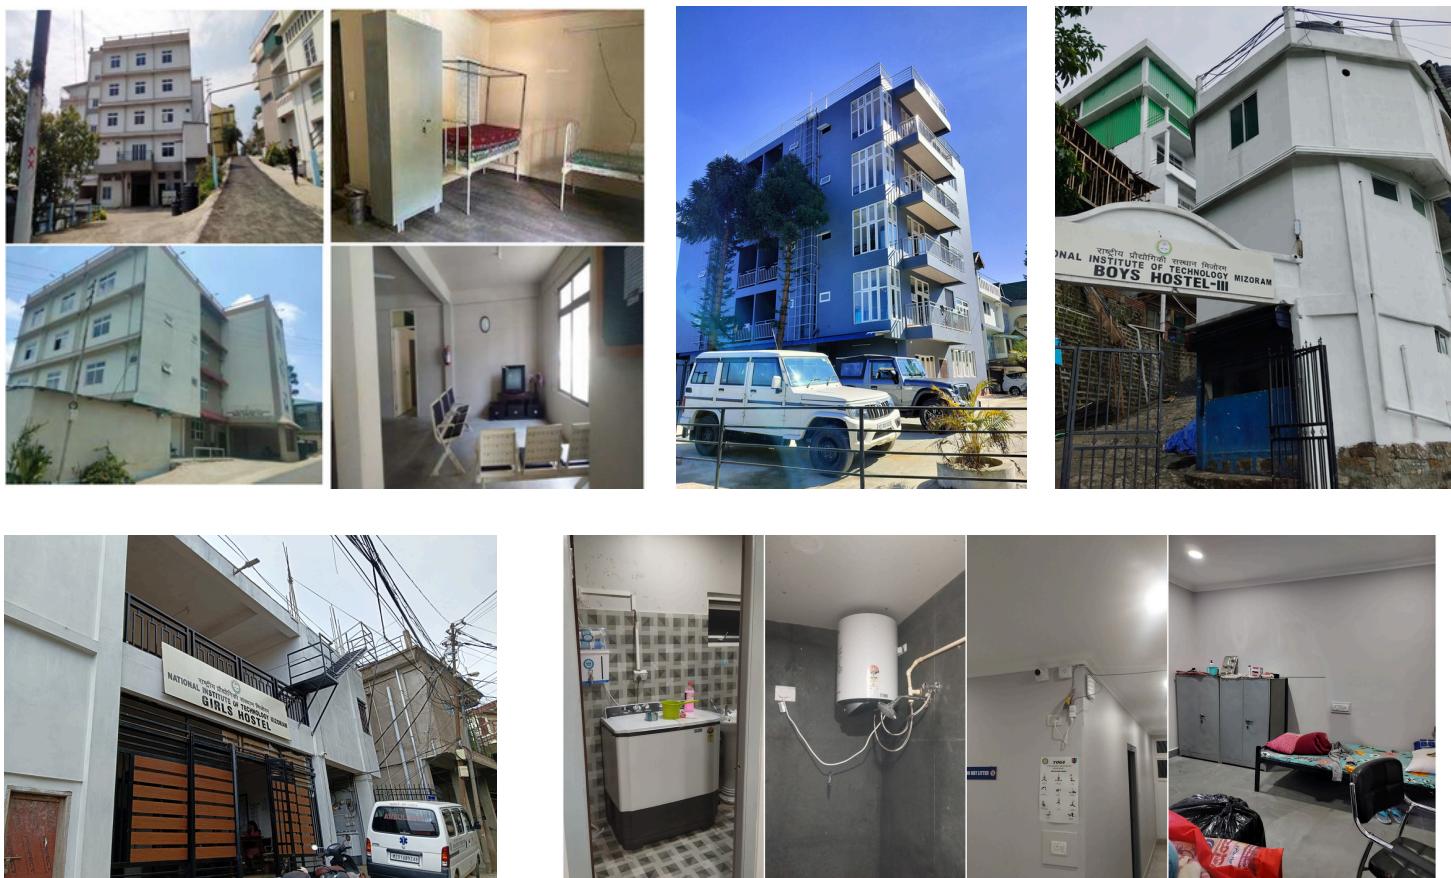

Health Care Centre of NIT Mizoram is being engaged with Doctor, Nurse and Counsellor and the outdoor unit is operational from 9:00 am to 3:00 pm on working days. To provide proper health care & in case of medical emergencies, the institute has leased out 2 (two) emergency vans for 24 hours & 7 days a week which are permanently deputed in the hostels along with a driver.

HOSTELS

The Institute provides Hostel facilities to the students of NIT Mizoram. At present there are 2 (two) Girls' Hostel and 4 (four) Boys' Hostel. The hostels are provided with standard facilities of lodging and fooding along with internet services. Indoor games and sports facilities along with Gym facilities are provided in the hostels. There are also common rooms in the hostels with television and newspapers and magazines. The students celebrate festivals like Holi, Eid, Onam, Diwali, Christmas, etc. in the hostels. The Institute also provides bus services to commute the students from the hostels to the academic blocks. Alongside there are ambulances stationed in the hostel premises for emergency services. Each hostel is also installed with generator for power back up in times power failure. Each hostel has a Warden and Assistant Warden, who are faculty members of the Institute. There are also caretaker and security guards stationed in the hostel and sanitation personnel to safeguard and maintain the overall premises of the hostels. Overall, the Institute's effort is to provide a home away from home for the students of NIT Mizoram.

Life At Campus

While the permanent campus is under construction close to the state's lone airport at Lengpui, the institute is housed at a temporary campus in the picturesque city of Aizawl.

It comprises an administrative block and four academic blocks and laboratories. The institute also has an adequately equipped library. The classrooms are state of the art with virtual boards and projectors, for an interactive and enriching education.

LIBRARY:-

The library is well equipped with books, periodicals, and journals, covering the curriculum of different branches of the institute. Students and teachers also have access to thousands of books and research articles which have been made available through an online portal.

Student Clubs

Photography Club

The Photography Club captures vibrant moments of campus life, teaching photography fundamentals, including camera techniques and photo editing. The club covers institute events, organizes exhibitions, and promotes creative expression through visual storytelling.

Coding & AI Club

The Coding & AI Club is a platform for students to build their skills in programming, data science, and artificial intelligence. The club regularly organizes coding competitions, workshops, and hackathons to promote logical thinking and technical excellence.

Robotics Club

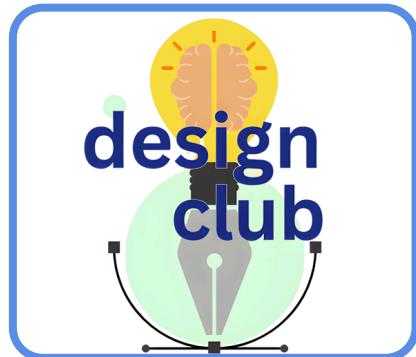

Robotics Club gives students practical experience in building robots and smart devices, focusing on embedded systems and automation. Members take part in national competitions, fostering innovation and teamwork.

Student Clubs

Design Club

The Design Club at NIT Mizoram brings together creative minds interested in graphic design, digital art, and UI/UX. Students learn to use design tools to create posters, visual content, and branding materials for college events. The club helps students apply creativity in solving real-world problems and contributes actively to the visual identity of campus activities.

Energy Innovation Club

The Energy Innovation Club at NIT Mizoram focuses on sustainability and renewable energy solutions. Students explore ideas in green technology, energy conservation, and eco-friendly designs. The club conducts awareness campaigns, technical seminars, and student-led projects that support the global mission for clean energy.

Debate Club

The Debate Club at NIT Mizoram encourages students to think critically and speak confidently. It organizes debates, group discussions, and mock sessions on various topics including current affairs and social issues. The club builds communication, reasoning, and leadership skills essential for all professional fields.

Student Clubs

Arthkriti-B&F Club

Arthkriti - B&F Club, which is the Business and Finance Club at NIT Mizoram. It is a platform where technical knowledge meets business strategy, and is committed to empowering students with essential skills in finance, trading, sales, marketing, and entrepreneurship. Through hands-on learning, real-world projects, and expert guidance, the club aims to create future business leaders and financial experts.

Saryohan- Cultural Club

Saryohan - Cultural Club, which is the Performing Arts Club of NIT Mizoram. It brings together music, dance, and drama enthusiasts from all disciplines, and celebrates creativity, expression, and cultural heritage through performances, workshops, and events. The club aims to nurture talent, boost confidence, and promote artistic collaboration among students, and stands as a stage where passion meets performance.

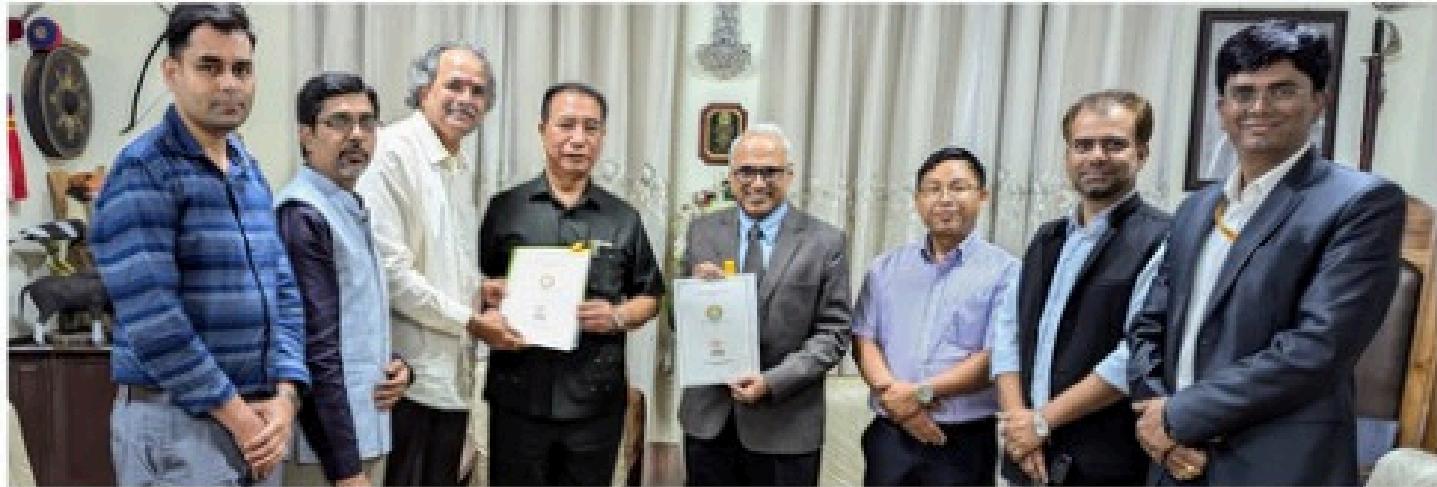

GDG- Google Developers Group

GDG (Google Developer Groups), which is a student tech community exploring Google technologies. The club hosts events and workshops to learn, build, and grow together.
